WORK EXPERIENCE

Australian
Department of
Finance
2022 - 2025

Software Developer

Demonstrated rapid adaptability by upskilling to a Project Lead role ahead of schedule, consistently utilizing strong communication to translate complex concepts into successful project deliveries.

Aquatic Achievers
2018 - 2022

AUSTSWIM Progression Advisor

Acted as the primary point of contact for patrons, utilizing clear and confident communication to manage relationships, address inquiries, and ensure a positive experience.

McDonald's
2017- 2018

Production Advanced

Working at Macdonald's required me to be able to work under pressure, be able to follow orders, work efficiently, work as a cohesive team member and produce a quality product.

EDUCATION

Australian National
University
2021 - 2025

Bachelor of Advanced Computing (Honours)

Specialised in Machine Learning and Software development, completed with a minor in mathematics.

Responsible Service
BC
2026

Serving It Right

I have completed the Serving It Right Training Program and recieved my certificate of completion
